of Rs 700/- as fixed by the mtch, that the area advertised for sale is not correct as some portion of their land has been included in the sites proposed for sales that the sites may be given to them for an upset price & that if it is not possible, a passage of 12ft of land may be left between their houses and the proposed sites for carts & bullocks to pass

"D" 36) This petn was forwarded to the Dist of the Chemmarogapatna munsif mtch with instructions that the land of any, belonging to the Petitioners may be left and the rest of the land belonging to the mof sold. The mtch Dist reported to the D c that the Parties did not furnish any documents to show that the area belonging to them has been included in the sites proposed for sale & that therefore the sites were notified for sale on

"C" 29-5-48

"F" 37) In the meanwhile the Petitioners sent a telegram to Govt praying for the stay of the sale fixed for 29-5-48. As the telegram was received by the Dist late, the sale could not be stayed & that the Dist conducted the sale as notified and the statement flagged "R" shows the amount realised by the sale of 8 sites

39) Against Sri Mylara setty & others submitted a petn to Govt on 5-7-48 thro' their Advocate Sri Muddappa praying that the sale may be set aside, & that as the Vice Pdt who conducted the sale has no powers to sell properties worth more than Rs 50/-

40) When the file was submitted to the Minister for L & Agr, he was pleased to direct to ascertain from the D C Hassan Dt as to who conducted the sale and whether the official conducted the sale was competent to hold the sale in this case (Vide Para 25 of the Notes)

41) As directed above, the D C Hassan Dt was written to on the matter. He has reported that the Vice Pdt conducted the sale & that the powers of the Vice Pdt in regard to the sales of mkt lands is restricted to the value not exceeding Rs 50 & that this power has exceeded in the present case in view of the fact that large sums have been realised in the sale. I heard the case on 21st July 49 the counsell for the petitioners argued the case in the presence of the petitioners Respondent did not appear One of the important points urged ~~in the appeal petition~~ is that, the vice president was not competent to conduct the sale under ~~Sec~~ the G.O. No. 9094-9104/M.L 118 33-8 dated 29-5-36 According to this above G.O, the vice president can conduct a sale if the estimated Value of the Property is with in Rs 5/- But in this case the estimated value according to a resolution of the M.C which fixed the upset price for each site was beyond the powers of the vice president the counsel for petitioners also argued that as the petitioners are the adjacent house owners, they are entitled to these sites By a perusal of this record I understand that these petitioners were given an option to take these sites at upset price fixed ~~by~~ by a resolution in the M.C but the parties refused the offer on the ground that the upset price fixed were too high the M.C was then forced to auction these sites as these sites in question are very valuable the land amount is higher than the amount fixed at upset price Now the point is that the vice president has wrongly conducted the sale as per the G.O stated above As the action of the vice president in this respect amounts to a breach of G.O issued in this connection

Subject -

Regarding the disposal of sites near Bazaar Street behind the houses of the petitioners in Channarayapatna Town

Under Section 178 of the Mysore Municipal Act -

Issue Stay orders by wire pending enquiry in the matter Rct 28/5/48

In continuation of their application dated the 4th April 1948 and 8th April 1948, the petitioners beg to state as follows -

(1) That the Benign Government was pleased to call for the records from Channarayapatna Minor Municipality in pursuance of their application dated 4th April 1948 and 8th April 1948 and in fact reports have been submitted by the Amildar-President of the Municipality and the records have also been submitted to the Government through the Deputy Commissioner, Hassan District, The petitioners had also asked for a stay order in the case and telegrams were also

also sent to the Government in this behalf But no stay order was passed by the benign Government so far

(2) That in spite of the records and the report being submitted to the Government, the Vice President one G.N. Singe Gowda in collusion with the President have ordered the sale of these sites on 29th May 1948 and they are hurrying up to dispose of the sites on that day The learned Amildar had also fixed up the sale of these sites once before 17th April 1948 and the same was adjourned on some ground or other

(3) That in spite of several applications to the Deputy Commissioner by the petitioners, he has neither passed a final order nor ordered the stay of sale of the sites and has been sleeping over the matter on the face of grave injustice to the petitioners.

(4) That the President, Vice President and the majority of the members of the Municipal Council are bent upon doing injustice to the petitioners and they are putting forth all sorts of obstructions against them On 21st January 1948, the Municipal Council has passed a resolution asking the petitioners to deposit Rs 700/- in the Municipality to the small sites valued at Rs 25/- only of the dimensions ~~mentioned~~ of 15 x 24 feet which are behind their own residential premises, when the same Municipal Council has granted sites at upset price of Rs 25/- or at annas two per square foot etc., adjacent to the present sites The Vice President has manouvred to give a site measuring 40 x 48 feet

feet at an upset price of 2 annas per square foot to his own sister who is living at Mysore

(5) That the petitioners are willing to purchase these sites measuring 15 x 24 feet which are adjacent to their residential houses even at an upset price of annas four per square foot which works out to Rs 90/- only as against the demand of Rs 700/- by the Municipality

(6) The Municipality has not left any cross street behind the houses of the petitioners according to the Municipal Bye-laws and they have left only 4 feet for the drainage Even the sites are so small viz , 15 x 15 feet and they will not be fit for anything It is only out of spite that the Municipal Council want to auction these lands and ask Rs. 700/- for these sites. Instead of dividing the sites 15 x 24 feet they have made it 15 x 15 feet so that the petitioners may not purchase them even in public auction.

(7) The petitioners are all merchants and have big families to live in and the houses in which they live are very small Further since they are all business men, at least a cross street of about 12 feet must be left behind their houses to enable them to have their go-downs in their houses In fact the Municipality is trying to sell portions of their sites under the proposed sites and in spite of their protests they refuse to investigate the matter. The proposed sites are being used as Santhemala now These are but few of the irregularities committed by that Municipality

(8) That it will cause irreparable loss and injuries to the petitioners if the sites are sold by the Municipality, ~~29th~~ on 29th May 1948 as proposed by them

Wherefore the petitioners pray that the Benign Government may be pleased to issue a stay order pending enquiry on their petitions originally submitted and thus prevent the inherent wrong done to the petitioners by the Channarayapatna Town Municipality in the interests of justice and equity.

Sir,

Re The disposal of sites behind Sri Mylarasetty's house in Channarayapatna Municipality

With reference to your letter No L 17358 dated 7-6-48 forwarding the petition of Sri Mylarasetty and others praying that the land proposed to be auctioned by the Municipality may be kept as an open space and calling for a report in the matter, I have the honour to state as follows -

During the year 1932 the Municipal Council proposed to dispose of certain sites along side the petta road as per sketch enclosed (Flag A) and the Sanitary Engineer, Bangalore who was consulted in the matter intimated in his letter No 845 dated 15-11-32 (Flag B) that there is no objection to the disposal of the sites in question Accordingly they were disposed of in auction and Sri Mylarasetty purchased three sites and the rest by others The purchase amount for first and second and third sites taken by Sri Mylarasetty is Rs 510/-, 600/- and 616/- respectively According to the plan referred to above a road is shown between the sites disposed of and santhemala Now the Municipal Council formed some shop sites measuring 15'x15' except one site measuring 20'x15' behind the sites already sold during 1932 and proposed for disposal in auction Sri Mylarasetty and others applied to the Municipality to grant these sites to them for upset price to be fixed by the Council since they are situated behind their buildings The Municipal Council have resolved on 21-1-1948 that the sites may be granted to them for an upset price of Rs 700/- for each site (Flag C) As the applicants were not agreeable to pay this upset price the sites were notified for sale in auction

Sri Rokkan Manjunda Setty, Mylarasetty and others gave a petition to this office on 15-4-48 through their counsel Sri S N Narayana Rao (Flag D) stating that they were not willing to pay the upset price of Rs 700/- that the area advertised for sale is not correct, that some portion has to be deducted which belongs to the petitioner, that there will be unhealthy competition in auction, that they may be granted to them for upset price, that if this is not possible a passag of 12 feet of land may be left between their house and the proposed sites for carts and lorries to pass etc This petition was sent to the Municipal President, Channarayapatna with instructions that the land, if any, belonging to the petitioners as stated in the petition, may be left and the rest of the land belonging to the Municipality sold It is stated by the Municipal President that the parties did not furnish any documents to show that the area belonging to them has been included in the sites proposed for sale and that therefore the said sites were notified for sale on 29-5-48 A telegram was received from Government on 29-5-48 to stay further action and it was communicated to the President for needful action and report

The petition of the residents of Channarayapatna received with your memo No L 16209 dated 24-4-48 praying that the land proposed for sale is useful for the shandy and traffic for men and cattle and that if may be reserved, as also forwarded to the Municipal President for furnishing the opinion of the Council on this point No opinion has been furnished on this point

PETITIONERS -Rokkam Mylara Setty and others

SUBJECT -Regarding the disposal of sites near Bazaar Street, behind the houses of the petitioners in Channarayapatna Town

The petitioners beg to state as follows -

The minor municipality of Channarayapatna had fixed the sale of the said sites on 24th April 1948 Then the petitioners filed an application before the Behign Government and the Government was pleased to call for the records in the case Still the Municipal authorities out of spite wanted to hold the sale, even after sending for the records, and they once again fixed the sale on 29th May 1948 Then again the petitioners filed an application and the Government was pleased to order stay of sale and the same was communicated to the Deputy Commissioner, Hassan, In spite of all this, the municipal authorities have conducted the sale malafide on 29/5/1948 without the final orders of either the Government or the Deputy Commissioner Hence it is clear that the sale is invalid and is done with an idea of causing loss and damage to the petitioners The stay order was also intimated to the Vice President and the Amildar by the petitioners and that had no effect

2) That the sale was conducted by the Vice President though he had no powers to sell properties worth more than Rs 50/- obviously each site was sold for several

several hundreds and the sale is also incalid

3) That portions of the sites belong to the petitioners themselves and an application was made to the Deputy Commissioner to make an enquiry on this behalf But the Deputy Commissioner without an enquiry has directed the Municipality half-heartedly to leave out those portions, if they were really included Against all these directions the Vice-president of the minor municipality, who is not well disposed towards the petitioners, had done all these mischief Hence the sale is liable to be set aside The same is also irregular and is vitiated in law

Wherefore the petitioners pray that the benign Government may be pleased to set aside the sale dated 29 5-48 and grant the sites to them on upset price in the interests of justice and equity

Sir,

Re the disposal of sites behind Sri Mylarasetty's House in Chennarayapatna Municipality

With reference to your letter No L 2126 dated 2-9-1948 enquiring as to who conducted the sales of the sites behind Sri Mylarasetty's house in Chennarayapatna Municipality etc , I write to state as follows -

It is reported that sanction of the Municipal Council is invariably obtained for the disposal of sites and thereafter they are advertised for sale and that the sales are conducted either by the President or in his absence by the vice president In the present case it is mentioned in the sale notification that the sale ~~notification~~ will be conducted by the president or vice president Since the President was absent from Headquarters, on the date fixed for sale the vice President has conducted the sale of the sites in question It is stated that the power to conduct sales has been **delegated** to the Vice President by the Municipal Council on 30-4-47 and that his power has exceeded on account of the large amounts secured in the sale owing to keen competition

Under rule 1 of the Rules issued in Government Notification No L 2375-M1 118-33-2 dated 8-10-1933 the Municipal Council is competent to lease, sell or transfer moveable or immoveable property The Municipal Council can delegate this power to the president who is the Chief ~~xxx~~ Executive Officer According to section 28(1) of the Minor Municipal Act the duties and powers to be exercised by the Vice President are those which are delegated to him by the President In G O No L 9094-9104/M1 118-33-8 dated 29-5-1948 the duties and powers which could be delegated to the Vice President are clearly defined The power of the Vice President according to the ~~xxxxxxx~~ G O referred to above re sales of Municipal land is restricted to the value not exceeding Rs 50/- This power has exceeded in the present case for the reasons stated in para 2

All the connected records are enclosed for favour of perusal and orders

Sir,

With reference to the correspondence ending with your letter no nil R c 2410/47-48, dt 12-2-49, re the disposal of the sites behind Sree Mylara Setty's house in Channarayapatna I am directed to state that according to Govt Order No L9094-9101 Mh 116 33-8 dt 29-5-36, the Asst Dpty Commr is empowered to dispose of immovable property situated in the mofussil when the value of the same does not exceed Rs 50/- but in the present case, the value fixed was itself Rs 750/- and the amounts realised at the auction sale of sites held on 29-5-48 were very much higher than Rs 50 in each case. As the sale was held by an officer who was not competent to do so, the sale is void ab initio and also as there were objections raised by certain parties to the sale, it is implied that the sale held on that date, should be set aside. I am to request that Sri Mylara Setty & others may be asked whether they are agreeable to take the sites by the side of their houses for an upset price equivalent to the amount now realised at the auction sale leaving a width of 5 ft between their houses and the sites so as to allow a free passage to purchase them and that if they are not agreeable, the sites may be disposed of in Public auction again.

SIR

With reference to the correspondence ending with your letter No M L C 2410/47-48 dated 12th February 1949 regarding the disposal of the sites behind Sree Mylara Setty's house in Chennarayapatna, I am directed to state that according to Government Order No L 9094-9104/ Ml 118-33-8 dated 29th May 1936, the Vice President of a Minor Municipal Council is empowered to dispose of immoveable property situated in the Municipality when the value of the same does not exceed Rs 50/- In the present case, the value fixed was itself Rs 700/- and the amounts realised at the auction sale were very much higher As the sale of the sites was held by an Officer who was x not competent to hold it, Government consider that the sale held is irregular and accordingly direct that the same be setaside

I am to request that, in order that the petitioners may have no grievance, a passage of about 5 feet width as against each door and toward the shandy maidan may be left The rest of the land may be formed into sites and Sri Mylara Setty and others may be asked whether they are agreeable to take the sites by the side of their houses for an upset price, equivalent to the amount now realised at auction sale If they are not agreeable to purchase them the sites may be disposed of in public auction again
